A CAMPAIGN FOR MOUNT MICHAEL

CAMPAIGN CLOSING IN ON \$5 MILLION

Mount Michael's *Now is the Time* campaign enters 2012 with a great deal of momentum. To date, we have secured over 400 gifts and pledges totaling \$4.8 million!

The goal of the campaign is to raise \$10 million increase the school's endowment, replace our aging water treatment facility, and build a new academic center and library on the land east of our current building. Our vision is to create a sustainable mission so that current and future generations of young men can continue to benefit from the great education and experience that Mount Michael has to offer.

We have received a tremendous amount of support so far, and we will continue to seek support throughout the next year. We believe that a high level of participation in the campaign will be the key factor in reaching our goals. With your participation, we send a message to the community at large that our core constituents believe in our mission and the future of our great institution. We urge you to join those who have already made this statement by making your gift or pledge today. Every gift, regardless of amount, makes a difference. You can do so by contacting Kim Volpone, Director of Development, at (402) 253-0964 or kvolpone@mountmichael.org.

FREQUENTLY ASKED QUESTIONS

How can I participate?

We want to provide everyone with the opportunity to participate. Make your gift today by calling or e-mailing Kim Volpone, Development Director, at (402) 253-0964 or kvolpone@mountmichael.org.

Why emphasize pledges?

We sometimes hear the discouraged comment "how is my small gift going to make a difference in a \$10 million campaign?" The truth is that EVERY gift makes a difference, large or small. For this campaign to be a success, we need the support of the entire Mount Michael community. For many of our donors, a 3-year pledge period provides the opportunity to have a bigger impact on the campaign than they otherwise would have through a one-time gift. Mount Michael offers flexible pledge payment plans that can be customized to fit your personal situation.
